

B1 German WEEKEND COURSE KOMPAKT- incl. preparation telc

With this intensive weekend course, we offer you the opportunity to improve your German skills alongside working and other obligations during the week to increase your chances on the German job market. The course is based on the Common European Framework of Reference for Languages (CEFR) and will prepare you for the telc exam. The learning modules of the intensive weekend course are grammar, listening comprehension, written expression and conversation.

We also offer the possibility to take this course online, in the comfort of your own home.
